LEVITON®

14W15

Brand Features

The Leviton line of straight blade plugs and connectors includes: Black and White industrial grade devices that resist impact, corrosion and chemicals; Wetguard for water or moisture resistance; Dustgard for dust and dirt; Python, with an innovative interlocking design; rugged nylon flanged and outlets; and integrated inlets and outlets with weather resistant covers.

Item Description

15 Amp, 347 Volt, NEMA 24-15P, 2P, 3W, Plug, Straight Blade, Industrial Grade, Grounding, Wetguard - YELLOW

Technical Information

Color: Yellow

UPC Code: 07847706510

Country Of Origin: United States

NEMA:
24-15R

Product Features

Amperage: 15 A
Assembly Screws: Stainless Steel 300
Blades/Contacts: Nickel-Plated Brass
Body Material: EPTR Rubber
Brand: Wetguard
Color: Yellow
Cord Range: .375 - .655
Grounding: Grounding
NEMA: 24-15R
Pole: 2
Standards and Certifications: UL/CSA
Voltage: 347 VAC
Warranty: Lifetime Warranty
Wire: 3
Wire Gauge: 18-10 AWG
**Device Type:** Straight Blade Plug

Environmental Specifications

Environment: Wet

Features and Benefits

- Corrosion resistant, watertight, and dust tight connector – NEMA Type 3, 3S, 4, 4X, 6, &6P
- Meets IP66 and IP67 standards when mated with a Wetguard connector or inserted in to a corrosion resistant receptacle with a Wetguard flip lid. Plug caps are available to protect the plug when not used
- Corrosion resistant, nickel-plated brass blades and terminal screws plus non-magnetic stainless steel face module screws
- Amperage, voltage, and NEMA configuration are molded into the face module making identification and replacement faster and easier
- Interlocking tongue and groove construction between face module and housing prevents moisture and debris from passing around the face module during use
- Santoprene EPTR housing, grommet, and closure cap resist water, most acids, alkalies, grease, oil, and solvents. EPTR offers enhanced UV stability and resists fungal growth
- Innovative strain relief and cord sealing system features a deep fluted compression nut, strain relief washer, and EPTR grommet for most reliable seal
- Available in high visibility yellow
