

## QuickPort® ID Window and Label

### APPLICATION

The Leviton easy-to-use QuickPort ID Window and Label comes with a port identification window and pre-printed labels, and is compatible with Leviton UTP connectors. The labels are a great way to identify or designate ports.

### FEATURES

- Port identification window
- Includes pre-printed labels in black ink on white or colored paper stock

### DESIGN CONSIDERATIONS

- Pre-printed color label kit available in brown, green, yellow, orange, red, blue, grey, and purple

### PHYSICAL SPECIFICATIONS

Materials: Window: polycarbonate

### COUNTRY OF ORIGIN

USA

### WARRANTY INFORMATION

For a copy of Leviton product warranties, visit [www.leviton.com/warranty](http://www.leviton.com/warranty).

### SPECIFICATION

The identification window shall be made of polycarbonate. The kit shall come with a port identification window and preprinted labels.
