

DRK0S-LE

Brand Features

A series of intelligent lighting and appliance control components, Decora Home Controls (DHC) combine the best of all worlds. DHC components require no new wiring because they use the power-line wires that are already in your home to communicate with each other. To make them thoroughly dependable, Leviton added its acclaimed Intellisense signal integrity technology to proven Power-line Carrier design. DHC switches, dimmers and scene controllers are as easy to use and as reliable as conventional devices – and feature aesthetically pleasing Decora designer styling. It's the "smart home" technology approach that's also exceptionally smart in styling and value.

Item Description

Color Change Kits for 1 Address Decora Home Controls DHC Controller - Black

Technical Information

Product Features

Device Type: DHC Controller

Style Name: Decora Home Controls

No. of Addresses: 1

Color: Black
