

MCM10-1LW

Brand Features

Mural Digital Dimmer with Decora rocker-style control is perfect for applications where form and function are of primary importance. The easy-to operate rocker action is effortless when used by people of all ages and abilities, providing a smooth touch while maintaining a switch-like feel. Green LED brightness level indicators add a contemporary ambiance. Mural offers full-range preset dimming with Soft-ON/Fade-OFF switching for incandescent, electronic and magnetic low-voltage lighting as well as fan speed control. All models function as single pole and multi-location when used with remote units.
