

RE154-DT

UPC Code: 07847753263

Country Of Origin: China

Brand Features

Renu in a snap! Renu is the smart new line of decorative electrical products from Leviton. Install Renu and get a fresh stylish look, plus the ability to change the color of any Renu device when you update a room. The Renu line includes switches, outlets, GFCIs, dimmers, and sleek, screwless wallplates, available in 20 designer colors to blend in or contrast with your decor. All Renu RE154 4-way switches are shallow in size, self-grounded*, and back and side wired for fast, easy installation. The selection also includes single-pole and 3-way switches. Use only with Renu wallplates. *When installed in a properly grounded metal wallbox.
