

## REI06-DG

UPC Code: 07847753488

Country Of Origin: China

### Brand Features

Renu in a snap! Renu is the smart new line of decorative electrical products from Leviton. Install Renu and get a fresh stylish look, plus the ability to change the color of any Renu device when you update a room. Designed for do-it-yourselfers, the line includes switches, outlets, GFCIs, dimmers, and sleek, screwless wallplates available in 20 designer colors to blend in or contrast with your decor. Refresh the color of any Renu device in a snap, without any rewiring or the need for an electrician. Just order a color change kit in the color you want, snap off the faceplate on the device and snap on the new face. Add a coordinating wallplate (sold separately) to finish the look. Renu fits your lifestyle and adapts to your changing taste.

### Item Description

Leviton Renu® Incandescent Dimmer REI06-DG for Single Pole, 3-Way or More Applications, 600W-120VAC, in Deep Garnet

### Technical Information

#### Product Features

**Product Family:** Renu

**Device Type:** Dimmer

**Features and Benefits**

- 600W-120VAC dimmer for single pole, 3-way or more applications – 3-way or more requires Leviton RE00R coordinating dimmer remote; not compatible with a 3-way switch
- Available in 20 popular colors to match any décor
- Once installed, Renu dimmers can be updated to a new color by ordering an RKDMD color change kit
- Dimmer face easily snaps OFF and ON to change color
- To complete the look, snap on a matching or contrasting Renu screwless wallplate (sold separately)
- Energy-saving replacement for a standard switch
- Turns the electrical device into a decorative, easily updated accessory
- Shallow size is easy to install in any wallbox
- Back and side wired for fast, easy installation
- Use only with Renu wallplates
