UPC Code: 07847738963

Country Of Origin: China

Brand Features

The Vizia RF + family of products captures the essence of “smart” lighting control with its embedded Z-Wave radio frequency technology and stylish form factor that is compatible with Leviton’s hallmark Decora® brand design. Robust features like Zone Control, Scene Control and Timed Events give you one-touch control of your home’s lighting and any Z-Wave enabled device. Zone Control is your key to controlling multiple light sources in many rooms or areas of your home with one push of a button on a zone controller. Scene Control lets you vary the light levels in a room for any activity or change the ambiance with one touch on a scene controller. Using Timed Events, you can schedule lights to turn on and off or activate any network device at preset times to enhance security or enjoy a more convenient lifestyle. The Vizia RF + line includes dimmers, switches, remotes and fan speed controls that all work together to create a wireless mesh network of automated lighting control in one room or your entire home.
