
TRIO BRACKET AND COVER, 11"X4"

F7804 | [On-Q](#)

FEATURES & BENEFITS

The trio expandable home Network Center features a rugged, enamel-finished steel housing with impact resistant cover. It conveniently mounts on plywood backboard and provides centralized distribution capabilities for smaller home networks.

- Allows mounting of 3 single size modules for Greyfox Compatible™ systems.
- Includes an attractive plastic silver cover, screws and drywall anchors.
- Low cost, surface-mounting bracket per-fect for retrofit environment.
- Multiple brackets easily joined for expansion.
