

## Brushed Pewter 1-Gang+ Wall Plate

AWC1G3BP4

Say bye-bye to bland and hello to the possibilities with adorne wall plates. Designed with the same inventive style as adorne switches, dimmers, outlets and accessories, these screwless wall plates simply snap into the included metal frame for near-effortless installation. And with dozen of options to choose from, including lush cast metals like the one you see here, as well as genuine, rich wood finishes and an array of vivid colors, they're the perfect finishing touch for your project or remodel.

The time-worn brushed pewter finish and distinctive edged border of this cast metal plate exudes a classic elegance.

The 1-gang+ wall plate is larger than the standard 1-gang wall plate, meaning you can add even more devices. Each 1-gang+ setup can be used with 3 USBs, an outlet and half-size USB, any of our switches or dimmers, and most outlets.

### features & benefits

- adorne Cast Metal wall plates are handcrafted by artisans of real metal so no two are exactly alike. These slight variations in finish and color add to the unique beauty of each plate.
- Pair with a classic white or versatile magnesium adorne device or stunning accessory like the [adorne Accent Nightlight](#) to complete your designer-style look.
- Available in 1-, 2-, 3-, and 4-gang capacities. Also available in 1-Gang+ capacities to support multiple devices in one electrical box, such as an outlet combined with a nightlight. Select adorne wall plates are available in 5- and 6-gang capacities.
- Easily snaps onto included mounting frame and installs in minutes with no visible screws. adorne products fit into your existing electrical box, so no new wires are needed.
