

# CABS Module Kit, UL – CABS382T (549503)

- Modules provide flexibility to select distance between phases and supports
- Provides appropriate spacing between busbars in the same phase for cooling
- Pins align with holes on support rails to allow for incremental positioning
- Works with copper or aluminium busbar
- Includes six insulators
- Installs quickly and easily
- Halogen free insulators
- Compact design provides strength and rigidity
- Engineered and standardized design
- Time-savings and lower total install costs compared to traditional methods
- RoHS compliant

Part Number	CABS382T
Article Number	549503
Material	Glass Fibre Reinforced Polyamide
Typical Application Current Rating	400 – 4,500 A
Dielectric Strength, UL	1,000 VAC 1,500 VDC
Working Temperature	-40 to 266 °F
Flammability Rating	UL® 94V-0
Busbars per Phase	1 – 2
Busbar Width	2" – 6"
Busbar Thickness	3/8"
Height (H)	1.96"
Length (L)	3"
Width (W)	3.2"
Unit Weight	1.23 lb
Certification Details	UL® 67 [CSA C22.2 No. 29] for Panelboards, 600 V Max UL® 891 [CSA C22.2 No. 244] for Switchboards, 600 V Max
Complies With	IEC® 60439.1 IEC® 61439.1 IEC® 60695-2-12 [Glow Wire Test 960 °C] UL® 508A for Industrial Control Panels, 600 V Max

Part Number	CABS382T
	UL® 508C for Power Conversion Equipment, 1000 V Max UL® 845 for Motor Control Centers, 600 V Max UL® 1558 for Low-Voltage Power Circuit Breaker Switchgear, 1000 V Max UL® 1741 for Inverters, Converters and Interconnection System Equipment, 600 V Max
Certifications	cURus RoHS
Standard Packaging Quantity	1 pc
UPC	78285692338
EAN-13	0782856923381

Typical Application Rating is dependent upon busbar size, current rating, temperature, and enclosure size.

IEC is a registered trademark of the International Electrotechnical Commission. UL, UR, cUL, cUR, cULus and cURus are registered certification marks of UL LLC.

**WARNING**

Pentair products shall be installed and used only as indicated in Pentair's product instruction sheets and training materials. Instruction sheets are available at [erico.pentair.com](http://erico.pentair.com) and from your Pentair customer service representative. Improper installation, misuse, misapplication or other failure to completely follow Pentair's instructions and warnings may cause product malfunction, property damage, serious bodily injury and death and/or void your warranty.
